WALK WITH US

Our mission is to build community by creating exhibition opportunities for local artists that stimulate the cultural and economic growth of Utica.

Art in Windows, Phase II:

Presented by Project U and The Downtown Utica Development Assoc. Is the second installment providing local artists with opportunities to transform vacant and under-used store front windows in Downtown Utica. It is our goal to revitalize this once thriving area with a creative conscious of our local talent. For more information please visit our website at www.project-u.net.
